A NOTE ON OUR JOURNEY

Sree Saraswathi Thyagaraja College was started in the year 1997 with an elite notion to take education to the doorsteps of the rural students. With 37 students, the beginning was humble yet the motto was magnanimous. Now STC gleams as the beacon of knowledge in the area. Education is the key to unlock the hidden treasure. VSV Trust is well aware of the tremendous change that education can bring to the society. This vision of the leaders now soars high as STC. "When an institution becomes very important to the society, it no longer belongs only to its founders but to the whole society". It is with this philosophy of our late Director General Dr. M. Settu, STC is striving to reach miles. Completing its Silver Jubilee, now STC is marching ahead to reach many more pinnacles. STC has 18 UG and 8 PG Departments and 7 Research Departments. The institution got accredited with A+ by the NAAC, Autonomous status, ISO Certification 21001:2018, the 2nd Best College Award among the affiliated colleges of Bharathiar University and the 2nd Rank Holder in Sports continuously for the last 12 years. Thus extends the trail of achievements of STC. What STC is today and what STC will be in the future is all because of our Alumni. Turning back and looking at the path that we have traversed and looking forward towards the path that we are to travel, the alumni of STC have always played the irrevocable role. We are awaiting to join our hands with our noble alumni for plethora of events.

Long Live STC, Long Live our Alumni.
