

Extracurricular Activities Committee

Extra-curricular activity (ECA) or Extra-academic activity (EAA) sets the tone of Campus Life at Sree Saraswathi Thyagaraja College (STC). The College aims to provide holistic learning in campus involving curricular, co-curricular and extra-curricular activities. The college has installed many avenues for students to hone their passions, improve their creative abilities and develop their interpersonal skills. It also allows the students to network, represent STC, and become engaged in service activities both on-campus and off-campus.

The Extracurricular Activities Committee ensures that students utilize the installed resources for their benefit to explore and develop extracurricular skills outside the curriculum to help students build a holistic career and to build a nation with well-balanced technical skills, creative skills, and soft skills such as communication skills, teamwork, public speaking, and emotional intelligence, etc.
