STC - The Gateway to High-Tech and Digital Learning

Sree Saraswathi Thyagaraja College, founded by V.S.V. Vidyaa Mandir Trust on 22nd Oct 1997 with an objective to meet the higher educational needs of the surging youth of our country, has become the cynosure of everyone and has won the confidence of the people as an institution of excellence with discipline, quality and values. The Institution having travelled along the path of many challenges in its academic march has celebrated its silver jubilee during the academic year 2022-23.

The trust was formed by the three great visionaries of the three philanthropic families – Thiru. P.M. Thyagarajan (late), and Smt. T. Saraswathi (late), Thiru. M.K. Arumugam (late) and Smt. A. Mahalakshmi (late) and Thiru. D. Sivaraman Chetti (late) and Smt. Vasanthasivam (late). Now the institution is ably run and professionally managed by the highly enterprising and service-minded business titans and their legal heirs, Thiru. S. Venkatesh as Chairman, Ln. M.A. Vijayamoghan as Vice Chairman and Ln. T. Sethupati as Secretary.

Dr. M. Settu (late) a brilliant corporate wizard, played a major role with his road map, strategic guidance and meticulous planning in transforming the institution into an excellent one and his atman ever remains as the guiding spirit of STC for its great leap. The dynamic role of the young directors in the academic administration of the college, Mr. V.H.P. Vimal Kumar, Mr. P.T.S. Maheswar, Dr. Sreekanth Venkat, Mrs. Shravanthy Krishnamurthy, Rtn. M.V. Sreekanth and Rtn. P.T.S. Shreeram have given a new dimension, lustre and extra mileage to the management of the Institution.

STC stands unique and majestic with its 'A+' grade by the NAAC in its 4th Cycle, Autonomous Status, ISO Certification 21001:2018, the 2nd Best College Award in the year 2009 among the affiliated colleges of Bharathiar University and the Second Rank holder in Sports and Athletics continuously during the last 13 years.

Beginning its academic YATRA in 1997, it is strong as on date around 3200 students. Being Co-Educational and Autonomous college, it has several unique selling propositions, need-based curricula and outcome-based programmes. Being student centric to the core, it has many skill development programmes for English Communication, Yoga and value education, Wi-Fi, free high-speed internet connectivity and excellent library with 44,325 books and a journal section having 35 national and 19 international journals and magazines, e-journals, DELNET and INFLIBNET facilities. The institution is very much proud of having airy, bright and spacious class-rooms, smart class-rooms, and facilities to use ICT tools for technology-enabled learning, and a plethora of online courses through the National Programme of Technology Enabled Learning (NPTEL). A building named "*VSV Centre for Advanced Studies*" with all modern facilities has been opened to enhance teaching, learning exercises and research pursuits and for accommodating the new and the latest programmes introduced.

The management always thinks in a benevolent way. It has several scholarship schemes for students who are meritorious, economically backward and extra-ordinarily proficient. Nearly Rs. 22 crore have been disbursed to students as scholarships since 2004-05.

The institution is set well with its good academic ambience, excellent infrastructure, well-trained and highly-qualified teaching faculty, disciplined student community and a dynamic and enlightened Management and Stakeholders to offer high-quality education with discipline and values for nation's development and societal transformation and upliftment. It is proud to place on record that it has introduced Outcome-Based Education (OBE) from 2018-19 to enable the students to gain mastery over the subjects, global competency and acquire skill-sets and values of life.

To meet the requirements of safety and security of girl students and accommodate those who have come from other states and far off places, a modern, well-furnished hostel is functioning with a lady warden.

The college has a boys' hostel functioning with modern facilities like Wi-Fi and other facilities since 2006-2007.

The campus has 2 AC seminar halls, two AC conference halls, one non AC conference hall and two multipurpose halls. A well-built separate Sports Complex with indoor and outdoor game facilities and an ultra-modern gym to meet the sporting needs of students is available. It also meets the professional training requirements of students to participate in National and International sports meets. Choice-Based Credit System (CBCS)

The Choice-Based Credit System (CBCS) adopted by STC provides a flexible and student-centric learning platform for learning and acquiring higher education. The CBCS model empowers students to shape their education, ensuring a holistic and career-oriented academic experience.

Key Benefits:

- Personalized academic planning
- Wider learning opportunities across disciplines
- Skill development for better employability
- Alignment with global education standards

It allows students to customize their learning experience by selecting courses based on their interests and career goals, encouraging both interdisciplinary learning and academic freedom.

Instead of a rigid syllabus, students can choose from:

- Core Courses: Mandatory subjects in the chosen program
- Elective Courses: Optional Subjects chosen based on personal interests.

- Allied and Non-Major Electives: Supportive subjects that complement the core which may not be directly related to the domain but add value to overall learning.
- Skill-Based Courses – Focused on industry-relevant practical skills.
- Value-Based Courses– Promote ethics, communication, and life skills.

This system ensures both horizontal and vertical mobility in a student's academic journey, empowering them to tailor their education to suit personal interests and career goals.

Outcome-Based Education

STC has adopted and implemented the Outcome-Based Education (OBE) model with effect from the academic year 2018-2019, focusing on a student-centric approach that emphasizes measurable learning outcomes such as knowledge, skills, and attitudes. In the OBE model, the required knowledge and skill sets for a particular degree is pre-determined and students are assessed continuously to ensure they acquire all the required parameters (Outcomes) during their course of the programme.

Key Features of OBE:

- Clearly Defined Outcomes: Each program sets specific learning outcomes in advance.
- Aligned Curriculum: Teaching methods and assessments are structured to help students achieve these outcomes.
- Continuous Assessment: Student progress is regularly monitored to ensure required competencies are attained.

The OBE model ensures that graduates are well-prepared for professional success, lifelong learning, and responsible citizenship.

Swayam

STC actively supports the Government of India's SWAYAM initiative to ensure access, equity and quality in education through online learning. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM offers high-quality MOOCs delivered by top educators across various disciplines.

To promote self-paced and diversified learning, STC has made it mandatory for:

- All UG and PG students have to complete two MOOCs during their program.

This integration helps students to enhance their knowledge, develop new skills, and stay aligned with evolving academic and industry trends.

Evaluation System

The evaluation procedure at our College is designed to holistically assess the academic performance of students through a combination of internal assessments and end-semester examinations. The assessment system ensures continuous academic engagement and skill development across various domains.

1. Components of Evaluation

The evaluation system consists of two main components:

A. Internal Assessment (Formative Evaluation)

Internal assessment is designed to evaluate students' performance continuously throughout the semester. The internal assessment generally comprises:

- **Mid Semester Examinations I & II (or CIA - Continuous Internal Assessment)**

Conducted centrally during the academic term to assess students' understanding of the content covered. It helps identify learning gaps and reinforce learning outcomes.

- **25 Skill based Tasks for Theory / Practical Courses**

Assignments	Flowcharts	Miniatures
Demonstration	Snaptalk	Viva Voce
Business Plan	Group Discussion	Simulation Exercise
Case Study	Games	Puzzles
Models	Paper Presentation	Article Review
Debate	Seminar	Reports
Portfolios	Questionnaire	Publication
Survey	Class Presentation [Oral/Poster]	
Mini Project [Individual /Group]		
USP Component [Unique to the course]		

- **Practical /Laboratory Work:** *(For all applicable courses)*

Practical evaluation is carried out in labs with both internal and external components.

B. End Semester Examinations (Summative Evaluation)

End semester examinations are conducted at the conclusion of the academic term. These are comprehensive written exams based on the full syllabus. Examinations are conducted under the supervision of the Controller of Examinations and follow standard protocols for question paper setting, invigilation, valuation, and result publication.

Features of Autonomy

STC was conferred Autonomous Status by the UGC and Bharathiar University in 2008-09, effective from the academic year 2009-10. This autonomy enables STC to:

- Design and update its own curriculum and syllabi
- Align courses with industry requirements
- Frame its own admission policies, while adhering to government reservation norms
- Innovate in assessment methods, conduct of examinations, and result declaration
- Implement modern education technologies
- Promote socially responsible initiatives like community service, extension programs, and applied projects

Each academic department has constituted Board of Studies, responsible for framing the syllabi and examination scheme to maintain academic quality and relevance.

Recent Academic Enhancements

IDC (Inter-Disciplinary Course):

- Introduced from the academic year 2019-20 for all PG programs, fostering cross-domain knowledge and holistic development

Credit Transfer System (Introduced in 2022-23):

- Credit Transfer has been enabled for all UG and PG programs.
- Students can earn academic credits through external certified courses like MOOC and transfer them towards their degree & it is subject to institutional approval.

குருவே குருவே எல்லாம் குருவே!

தருவாய் தருவாய் எல்லாம் தருவாய்
குருவே குருவே அறிவைத் தருவாய்
அருள்வாய் அருள்வாய் என்றும் அருள்வாய்
அறிவைக் கடந்த அறிவை அருள்வாய்!
குருவே குருவே எல்லாம் குருவே

ஈசன் குருவே இறைவன் குருவே
நீயும் குருவே நானும் குருவே
குருவே குருவே எல்லாம் குருவே!

என் இறைவா,
நான் ஏறிக்கொண்டே இருக்கின்றேன்...
எங்கு இருக்கிறது இலட்சிய சிகரம்?
நான் தோண்டிக்கொண்டே இருக்கின்றேன்...
எங்கு இருக்கிறது அறிவுப் புதையல்?
நான் பெருங்கடலில் நீந்திக்கொண்டே இருக்கின்றேன்...
எங்கு இருக்கிறது அமைதித் தீவு?
இறைவா, நூறு கோடி மக்கள்,
இலட்சிய சிகரத்தையும், அறிவுப்புதையலையும்
இன்ப அமைதியையும் உழைத்து அடைய அருள்வாயாக!
